Subject: Announcement...

Parents,

Howard Carrier is on of the most highly recognized hitting instructors in fastpitch softball. He is the hitting trainer for Crystal Bustos. Coach Derek and I have taken our daughters to him in the past and maintain a line of communication with him. Howard has agreed to 'train' our coaches this fall in his technique and drills as you have seen below. Our goal as an organization is to implement a consistent level and method of hitting instruction across the entire organization. This will allow our players to seamlessly move from year to year without any change in instruction. We will also be using the Right View Pro software and video system this winter to allow us to tape and analyze our players swings.

Additionally, our coaches in 2010 will be required achieve coaching certification and training. Head coaches will be attending classes in the fall/winter. There is a NFCA Class in Columbus (OSU Stadium) this winter with the president of RVP, that Derek and I will be attending. As you can see we are upping our game, and will have high expectations for our teams and players next season.

We are negotiating with SWOBAT in West Chester as our indoor training facility this winter. I expect a deal to be reached with them soon.

Our goal in 2010 to raise the level of competition we play against. My team recently played at GAPSS in Columbus and we were invited to play the Stingrays tourney this weekend. These are two of the most highly competitive and scouted tournaments in Ohio. Next season we will be playing in these tournaments as well as shooting for ASA Nationals.

We intend to 'raise' the bar and take a step toward producing collegiate athletes year in and year out.

With this in mind, we will need to continue to have 4-6 organizational fundraisers to allow our families to keep their costs affordable. The value your daughter will continue to receive will be the best in SW Ohio.

I hope this gives you an idea of our direction and continued desire to be the best organization in SW Ohio. With that comes a higher level of commitment from our parents and players. I want you to discuss this with your DD as she considers returning to the Hawks next season ... we are passionate about softball and we want dedicated, passionate players.

Doug

Doug

I would help with your coaches this fall.

I will be out every weekend in Sept. and Oct. with Crystl or myself doing clinics at Cumberland, Gary Indiana, Indianapolis, IWU, Zanesville, Georgia and Spokane Washington.

When it gets closer to actually starting let me know so I can schedule it.

Thanks Howard
